Helpful Hints

1. Always keep your receipts to help resolve potential errors.
2. Keep your address up to date in the Office of the Registrar. This is our best means of communication.
3. Be aware of deadline dates (ex. add/drop period, course withdrawal, pass/fail registration). The semester calendar is on the first page. Failure to comply with appropriate deadlines can result in severe academic or administrative penalties.
4. Drop or withdraw from courses by the appropriate deadlines. If you are registered for the course, you are responsible for dropping or withdrawing from it whether you attend the class or not. Even if the professor crosses your name off the class list, you must still drop or withdraw from the course through the Office of the Registrar or via Touch-Tone voice response system.
5. Expect a schedule confirmation of courses for which you registered about three weeks into the semester. If you don't receive one, check with the Office of the Registrar.
6. Expect a bill for the amount of credits for which you registered. Review the bill carefully. Make sure you are billed for the appropriate number of credits. If you do not receive a bill, check with the Bursar's Office.
7. Keep your schedule books and/or schedule confirmation. You will need the course and section number for Final Exam period and room assignments, as well as Touch-Tone Registration, Add/Drop, and Pass/Fail or Course Withdrawal.
8. Regardless of College, all students are recommended to seek academic advising at least once per semester.

Course Pass/Fail and Course Withdrawal deadline for Spring 1999 is Sunday, April 4, at 9:00 pm

Please read reverse side for important course Pass/Fail and course Withdrawal information.

COURSE PASS/FAIL OPTION

You may select only one course each semester, up to a maximum of eight, to be taken on a Pass/Fail basis while working towards your degree. (Mandatory Pass/Fail courses are not counted toward this limit!) The grade of "P" will be given for a successfully completed Pass/Fail course; it will be included in credit toward graduation, but not in your cumulative quality point average. The grade "F" will count as a failure. To select a course on a Pass/Fail basis, you must call the Touch-Tone registration system after the end of the Add/Drop period and before the published Pass/Fail deadline. Select the Course Pass/Fail and Withdrawal option (number 2) on the welcoming menu. Instructions and deadlines are listed on the course Pass/Fail and Course Withdrawal Worksheet.

NOTE: 1. A Pass/Fail selection cannot be canceled after the deadline. **2. You should carefully check the requirements of your college and major department, or professional program, before exercising the Pass/Fail option.** 3. If the course you wish to select the Pass/Fail option on is a Continuing Education course, you must contact the Division of Continuing Education (Wheatley, 2nd Floor, Room 203).

COURSE WITHDRAWAL OPTION

You may withdraw from individual courses, within the published course withdrawal dates, through the Touch-Tone registration system. The grade of "W" will be given for withdrawn courses. The "W" grade will remain on your record and will not be calculated in your cumulative quality point average. To withdraw from a course you must call the Touch-Tone registration system after the end of the Add/Drop period and before the published deadline. Instructions and deadlines are listed on the Course Pass/Fail and Course Withdrawal Worksheet.

NOTE: 1. A course withdrawal selection cannot be canceled after the deadline. 2. There will be no refund for course withdrawals. 3. Failure to attend class does not constitute an automatic withdrawal. 4. If the course you wish to withdraw from is a Continuing Education course, you must contact the Division of Continuing Education (Wheatley, 2nd floor, Room 203).

UNIVERSITY WITHDRAWAL OPTION

You may withdraw from your entire schedule of courses — which results in inactive status with the University — up to the last day of classes each semester. To do this, you must go to the University Advising Center to fill out a University Withdrawal form. CPCS students should see Academic Affairs. If you are a non-degree student, you must go to the Registrar's Office (Quinn Administration, 1st Floor) to fill out a University Withdrawal form. Within the first six weeks of the semester there will be an adjustment to your bill (see Refund Policy page). You will receive a grade of W for each course, and are free to register for each course in subsequent semesters or not.

NOTE: 1. Failure to attend class does not constitute an automatic withdrawal. 2. Students who are absent from the University for four consecutive semesters or more should be aware that their degree requirements may be modified by any changes in the curriculum during their absence.

LEAVE OF ABSENCE

When a student in good academic standing chooses to withdraw from all classes within a semester, and intends to return within two years, the student will be on a Leave of Absence, and will automatically be reactivated for the semester they return. Students should go to the University Advising Center for the Leave of Absence form.

NOTE: College of Nursing students who wish to be on a Leave of Absence must see the Director of Student Affairs of the College of Nursing.

READMISSION

Please contact the Registrar's Office (Quinn Administration, 1st Floor) for Readmission information.

ON-TIME PAYMENT OF TUITION & FEES

Spring 1999 tuition and fees are due no later than January 19, 1999

All bills must be paid on time. Any one or a combination of the following three actions will be considered an acceptable timely payment:

1. **Full payment of all charges via cash, check, money order, VISA, Master Card, or Discover Card by the due date as printed on your most recent invoice from the Bursar's Office.**

2. **Signed up and actively participating in the Interest Free Tuition Payment Plan through Academic Management Services (1-800-635-0120).**

3. **Official notification of financial aid eligibility to cover all or the remaining balance on your account.**

Students who do not meet one of the above conditions by **January 19, 1999** will have their registration for the Spring 1999 semester canceled. All seats freed up will be made available to paid active students on the class waiting lists. Students who have their registrations canceled but still wish to enroll for Spring 1999 classes, will be assessed late fees and must then rebuild a schedule from the remaining open courses during the Add/Drop Period, February 1-5, 1999. For additional information, contact the Bursar's Office at (617) 287-5350.

IMPORTANT PAYMENT INFORMATION

Registering and acceptance into a course(s) incurs a financial obligation for that course(s).

Your obligation can only be removed if you withdraw from the University prior to the start of the semester.

Your tuition and fees will be reduced if you:

1. Reduce your load during the Add/Drop period, or

2. Completely withdraw from the University prior to the sixth week of the semester.

You are financially responsible for any registered course(s) remaining on your schedule as of the end of the Add/Drop period, even though you:

1. Completely withdraw from the University after the sixth week of classes, or

2. Withdraw from course(s) after the Add/Drop period, or

3. Receive a grade "NA" (see below).

Failure to attend classes does not constitute withdrawal. A withdrawal is an administrative procedure. Students must officially withdraw from a course using the Touch-Tone system. If you have not dropped a course by the end of the Add/Drop deadline, not only will you be liable for the tuition but you will also receive one of three grades:

1. The grade of "NA" (not attending) will be given if your instructor takes attendance and submits the grade of "NA" to the Office of the Registrar.

2. If the instructor does not submit an "NA" list and you do not drop or withdraw from the course you will receive the grade of "F."

TUITION SURCHARGE POLICY

The Board of Higher Education has recently passed a tuition surcharge policy. Students who earn more than 118% of the required credits needed for graduation will be required to pay at the out-of-state rate for any additional credits. At UMass Boston this surcharge will be assessed to students who register for courses after earning 141 graduation credits.

There are several exceptions to this policy:

1. Students who transferred into UMass Boston are exempt.
2. Transfer credits taken after enrolling at UMasss Boston are excluded from the total credits earned.
3. Credits earned through the Division of Continuing Education are excluded from the total.
4. Credits earned for programs requiring more than the normal 120 credit are also excluded.

REFUND POLICY

The University of Massachusetts has two refund policies for tuition, fees and other charges. One applies to students in their first semester of enrollment who are federal Financial aid recipients (**POLICY A**); the second applies to all other students (**POLICY B**).

POLICY A

Students who cease enrollment after 60 percent of the semester has elapsed and are **Financial aid recipients** (in their first semester of enrollment) receive a refund of the percentage rounded down to the nearest 10 percent of the semester. For example, a student who withdraws 57 percent of the way through the first semester of enrollment receives a refund of 40 percent of tuition fees and other charges.

POLICY B

Students who cease enrollment before the completion of the first 5 weeks of any semester (following their first semester of enrollment) are refunded tuition and fees according to the following schedule.

DATE OF WITHDRAWAL	PERCENTAGE OF FULL TUITION & FEES REFUNDED
Before first meeting of class	100%
During first two weeks	80%
During third week	60%
During fourth week	40%
During fifth week	20%
After fifth week	No Refund

COLLEGE OF ARTS AND SCIENCES
GRADUATION REQUIREMENTS

The undergraduate curriculum in the college of Arts and Sciences is divided into three parts: (1) Preparation in general education, (2) a major field of study, and (3) Electives to complement the breadth and depth of a liberal education. Students earning a Bachelor's degree must satisfy the following seven requirements. For a full description of each requirement please refer to the Undergraduate Catalogue.

NOTE: Students absent from the University for four or more consecutive semesters are subject to all requirements and policies in effect the semester they return.

1. **FRESHMAN WRITING REQUIREMENT**
   CAS students must take a year of Freshman Composition (English 101 and 102). Students who place into English 010 on the English Placement Test must take that course before completing this requirement.

2. **THE CORE/DISTRIBUTION REQUIREMENT**
   See the Core/Distribution Worksheet

3. **THE WRITING PROFICIENCY REQUIREMENT**
   See the Writing Proficiency Requirement page

4. **DIVERSITY REQUIREMENT**
   See the Diversity Requirement page

5. **THE TOTAL CREDIT REQUIREMENT**
   CAS students must acquire a minimum of 120 credits to graduate, at least 30 of which must be earned at the University of Massachusetts Boston. Credits earned in ESL courses, other than ESL 100D, do not count toward graduation but count in calculating the semester course load. Beginning in Fall 1998 credits earned in Academic Skills 033 and 034 (math skills) and in English 010 do not count toward graduation but count in calculating the semester course load. Beginning in Spring 1999 credits for Math 110 will not count toward graduation.

6. **THE MAJOR REQUIREMENT**
   CAS students must complete the requirements of one of the majors offered by the college. Major requirements are listed by department in the Undergraduate Catalogue. In most cases transfer students must complete a minimum of five courses in the major at the University of Massachusetts at Boston. Students also have the option of designing an individual major under the supervision of a faculty member. Information on the Individual Major is available from the Academic Support Office.

7. **THE GRADE POINT AVERAGE REQUIREMENT**
   Students must achieve a minimum cumulative grade point average of 2.0, calculated only from UMB courses, in order to graduate. See the Undergraduate Catalogue for details. Some major programs require that students maintain a 2.0 in courses taken toward the major. Consult major departments for more information.

8. **BACHELOR OF SCIENCE REQUIREMENTS**
   In addition to the above requirements, students wishing to earn the Bachelor of Science degree in Biology, Chemistry, Geography, Mathematics and Computer Science, Physics, or Psychology must complete six semester courses in science or math/c.s. outside the major discipline. Specific BS degree requirements for each major are listed in the Undergraduate Catalogue under the major department.

WAIVERS

Freshman Writing Requirement—The Freshman Writing Requirement may be waived. Students should inquire at the Department of English.

Foreign Language Courses—Students who present evidence through placement scores or transcripts of intermediate proficiency (equivalent to the fourth semester of college work) in a foreign language will receive a waiver for two Foreign Language courses toward the distribution requirement. Native speakers of languages other than English are encouraged to apply for this waiver. Students granted a waiver in a Foreign Language need take only ten courses toward the distribution requirement. Students receiving a BS degree need only show evidence of elementary proficiency in order to waive these courses.

Math Courses—Students who present evidence thorough placement scores or transcripts of work in Mathematics equivalent to college calculus (Math 141) will receive a waiver for two Mathematics courses toward the distribution requirement. Students granted a waiver in Mathematics need take only 10 courses toward the distribution requirement.

Students who receive waivers in both Foreign Language and Mathematics need take only eight courses in the distribution requirement.

There are no waivers for the Writing Proficiency Requirement.

COURSE LOAD POLICY

Students may enroll for no more than 16 credits. After the first semester; however, students may take additional course credits under the following conditions:

- The student's overall grade point average is 3.0 (or above) or the grade point average for the previous full-time semester is 3.5 or above.
- Written permission is secured from the Associate/ Assistant Dean for Academic Studies.

SPECIAL PROGRAMS

For details see the Undergraduate Catalogue:

- Management minor for CAS students.
- Joint Baccalaureate-MBA.
- Undergraduate Teacher Certification.

College of Arts and Sciences
Core/Distribution Worksheet

To assure that CAS students develop a broad familiarity with the range of human knowledge, they are required to take 12 courses distributed among the following broadly defined areas, with the option of omitting one area.

The Arts (A)
Historical and Cultural Studies (H)
Philosophical and Humanistic Studies (P)
Social and Behavioral Sciences (S)
Natural Sciences (N)
Mathematics and Computer Sciences (M)
Foreign Languages (F)

A. Core requirement

Core courses are designated by a C in the course number (e.g., Philosophy C108) and are commonly called C courses. Students matriculating with fewer than 30 credits must include 5 C Core courses among the 12 courses in the requirement, 3 at the 100 level and 2 at the 200 level. NO MORE THAN 5 C COURSES AT THE APPROPRIATE LEVELS MAY COUNT TOWARD GRADUATION CREDIT. C courses are limited in enrollment in order to provide more intense instruction in academic skills.

B. Distribution requirement

Most 100 level and 200 level CAS courses are assigned to one of the seven Distribution areas and count towards fulfilling this requirement. Students entering with 30 or more transfer credits are not required to take C courses as part of the 12 course Distribution. If they include C courses, they are subject to the limit of 3 at the 100 level and 2 at the 200 level for graduation credit.

The following worksheet will guide you in selecting courses for the Core/Distribution requirement. The numerical pattern of distribution will resemble one of the following, although not necessarily that order.

Seven Area Selection	Six Area Selection
2222211 3222111	222222 322221

AREAS	(A) Arts	(H) Hist/Cult	(P) Phil/Hum	(S) Soc/Behav	(N) Nat Sci	(M) Math/CS	(F) For. Lang.
C100							
C 100							
C 100							
C 200							
C 200							
DISTRIBUTION							

Each distribution area includes courses from many different departments; departments may offer courses in several distribution areas. Check department course offerings for specific area designations.

THE WRITING PROFICIENCY REQUIREMENT

This requirement, which applies to all students in the College of Arts and Sciences, the College of Nursing, and the Program in Human Performance and Fitness, may be satisfied either by passing a proficiency examination or by submitting a portfolio.

The Writing Proficiency Examination: This examination requires students to write an essay of 7-10 paragraphs in answer to a question based on a set of readings. A passing essay should demonstrate the student's thorough understanding of the readings, as well as an ability to analyze and synthesize the material, use evidence appropriately, form concepts, draw inferences, and construct a well-organized response to the question. The examination is offered two times a year, in January and June. A student should sign up for the test and pick up the assigned readings in the Core Curriculum Office (M/4/603) **five-six weeks** in advance of the scheduled date of the exam. Dates and deadlines for registration and for the upcoming January and June exams are printed below.

Note: The Writing Proficiency Examination is **not** the same as the English Placement Test, which students take on entrance to the College.

The Portfolio: The Portfolio consists of four papers, each at least five typewritten pages in length. Three of the papers should be expository essays, written for different courses and based on multiple reading materials. Each of these submissions needs to be certified as the student's own work by the instructor in the course. Certification forms are available at the Core Curriculum Office. The fourth paper is a new one, written on a reading set and question distributed by the Core Curriculum Office. Portfolios may be submitted at any of the scheduled exam times in January and June as well as in October and March. Readings and the essay question for the Portfolio are available **five-six weeks** in advance of the due date (see below).

Timing of the Obligation to Pass this Requirement: Students should have met the Writing Proficiency Requirement by the time they have completed 68 credits. Students transferring in with more than 60 credits must satisfy this requirement by the end of their first semester after matriculation. Students who have completed 68 credits and have not taken or passed the requirement must complete it at the next scheduled opportunity.

Students with 90 or more credits who have not passed the Writing Proficiency Requirement are subject to suspension and cannot continue to make normal progress toward the degree until this requirement has been met. To avoid suspension, students with 90 or more credits should come to the Core Curriculum Office (M/4/603) or phone (287-6330) to schedule a conference with a writing specialist before the beginning of the next semester. The student should bring to the conference a transcript, plus course papers or other examples of his/her writing. After an assessment of the student's problems in passing the requirement to date, a Learning Contract will be drawn up detailing which courses he/she may take during the semester and when he/she will pass the requirement. The Contract usually involves a reduction of the student's course load and registration in a writing course. Signed by both the student and the writing specialist, the Contract serves as a formal agreement between the student and the University about the actions the student will take to complete the requirement.

Any student who does not fulfill the terms of the Learning Contract (e.g., by failing to reduce his/her course load) will be suspended during the Contract semester. Students who have not completed the Writing Proficiency Requirement by the end of the Contract semester will be suspended until this requirement is met.

If a student with 90 or more credits misses the deadline for scheduling an appointment or does not keep an appointment for a conference with a writing specialist, he/she may file a formal appeal to the Core Curriculum Director, explaining in detail why he/she has been unable to comply with the College's standard procedure.

For further information on policies and procedures regarding the Writing Proficiency Requirement consult the University's Undergraduate Catalog or the Core Curriculum Office.

The Core Curriculum Office offers two writing courses to help students complete this requirement. **Academic Skills 044** focuses on helping students working to pass the examination or finish a portfolio by giving them practice in the kind of writing required for the independent essay. **Interdisciplinary 299** (Inter-D 299) is an intensive reading and writing course designed for students who have had repeated difficulty in completing the Writing Proficiency Requirement. The aim of this course is to help students compose a set of papers to be submitted as part of a Writing Proficiency Portfolio. For further information about these courses, consult the Undergraduate Catalog or the Core Curriculum Program (M/4/603).

- Courses which fulfill a HPF requirement will transfer. All HPF courses taken **after** the student has matriculated must be taken through the HPF Department.
- Proper prerequisites must be adhered to, along with any special requirements as outlined in the undergraduate catalog and the Student Handbook for HP&F.
- Required HPF courses in the student's concentration may **not** be taken on a pass/fail basis.
- Non-majors may take certain courses in HP&F such as HPF 110, 120, 130, 140, 180, 221, 256 and HPFCCH 349. Other HP&F courses may be taken by non-majors if proper pre-requisites have been satisfied.
- Students wishing to file for an inter-college transfer must contact the Director of HP&F, Science Building, 3rd floor.

CORE CURRICULUM REQUIREMENT

All undergraduate students in the College of Arts and Sciences are required to take five "core courses." Core courses are identified by a "C" prefix in the course number. Of the five required core courses, three must be at the 100 level, and the other two must be at the 200 level. Please note: No student may take more than five core courses. A core course emphasizes the nature of knowledge and the methods of investigation that characterize the disciplines within its distribution area. Core courses provide instruction and practice in such intellectual skills and habits of thought as analytical writing, critical thinking, quantitative reasoning, and research techniques. Students should ordinarily complete their core courses during their first two years of study, before they take the Writing Proficiency Examination.

UNIVERSITY DIVERSITY REQUIREMENT

All Undergraduates at Umass Boston are required to take courses that address human diversity as a major theme. UMass Boston believes that the explicit study of the diversity of the world's peoples is an essential component of an undergraduate education.

Attention to cultural and social groups previously marginalized or ignored in the curriculum helps students acquire the analytical tools and knowledge to understand human diversity in our complex and changing world, and strengthens their academic preparation by exposing them to this rich body of scholarship from a wide range of disciplines.

UMass Boston defines diversity broadly to include: race, gender, culture (national origin, ethnicity, religion), social class, age, sexual orientation, and disability.

The requirement was implemented in two steps. It applied to all first-year students who were admitted to Umass Boston in Fall 1992 or Spring 1993 without any transfer credits. It applies to all students, including transfer students, admitted for Fall 1993 and after.

COLLEGE OF MANAGEMENT DIVERSITY REQUIREMENT

All students in the College of Management are required to take one course that has been approved as meeting the criteria for a diversity course in either the College of Management or the College of Arts and Sciences. The course which a student selects to satisfy the Diversity Requirement may also be used to fulfill a Liberal Arts or an Elective Requirement. **Please contact the CM Undergraduate Program Office (M-5-603) for a list of approved diversity courses.**

COLLEGE OF NURSING DIVERSITY REQUIREMENT

The requirement is met through required courses in the College of Nursing.

HUMAN PERFORMANCE & FITNESS DIVERSITY REQUIREMENT

HP&F majors are required to take two identified diversity courses. HPF 220 counts as one diversity course which is required of all majors. Students may meet the second diversity requirement by either taking HPF 180 or one of the courses in CAS designated as a diversity course.

COLLEGE OF PUBLIC AND COMMUNITY SERVICE DIVERSITY REQUIREMENT

For information on the CPCS diversity requirement, see Academic Affairs in CPCS.

COLLEGE OF ARTS AND SCIENCES DIVERSITY REQUIREMENT

The CAS diversity requirement applies to all students in the College. The College requirement consists of two courses, one with a focus on diversity within the US, and one with an international focus. Students who enter UMass Boston with fewer than 60 credits are required to take one course from each of the two categories. Students entering with 60 credits or more may take one course from either of the two categories.

GRADUATE ADMISSIONS AND GRADUATE REGISTRAR'S OFFICE

GRADUATE STUDENT REGISTRATION INFORMATION

Continuing Matriculated Students

All graduate students who are eligible to register for the Spring 1999 semester will receive an Invitation to Register in the mail along with a telephone registration worksheet. If you do not receive this information in the mail by the third week of November, you should go to the Graduate Admissions and Graduate Registrar's Office for information. **The deadline to register in order to avoid the $50.00 late registration fee is December 11, 1998. You may add/drop through February 5, 1999.**

New Matriculated Students

You will receive information from your graduate program concerning registration, or you may contact your Graduate Program Director. Please keep in mind that the last day to add/drop is **February 5, 1999.**

ON-TIME PAYMENT OF TUITION

Spring 1999 tuition and fees due no later than January 19, 1999

Spring bills must be paid on time. Any one or a combination of the following three actions will be considered an acceptable timely payment.

1. Full payment of all charges via cash, check, money order, Visa, Mastercard or Discover Card by the due date as printed on your most recent invoice from the Bursar's Office.

2. Signed up and actively participating in the Interest Free Tuition Payment Plan through Academic Management Services (1-800-635-0120).

3. Official notification of financial aid eligibility to cover all or the remaining balance on your account.

For the Spring 1999 semester, students who do not meet one of the above conditions **by January 19, 1999,** will have their registration for the Spring 1999 semester **canceled.** All seats freed up will be made available to paid active students on the class waiting lists. Students who have their registrations canceled, but still wish to enroll for Spring 1999 classes, will be **assessed late fees** and must then **rebuild a schedule** from the remaining open courses during the Add/Drop period, after paying accumulated fees and making a deposit with the Bursar's Office which is equivalent to a 3 credit course.

For additional information, contact the Bursar's Office at (617)287-5350.

Non-Matriculated Students

Registration varies by program. For further information please contact the Office of Admissions Information Services at 287-6000, or your program of interest.

In order to register for a course, you must fill out a Graduate Non-Degree Registration Form and have it signed by the Graduate Program Director for the program in which the course is offered, or by the professor who is teaching the course, if permitted. The form must be submitted to the Office of Graduate Admissions and Graduate

Registrar with full payment to complete your registration. The deadline for submitting the registration form is Friday, February 5, 1999 at 5:00 p.m.

Please note: The Graduate Admissions and Graduate Registrar's Office can accept payment made by Mastercard, Visa, Discover Card, check or money order. Cash must be paid at the Bursar's Office and the receipt brought to the Graduate Admissions and Graduate Registrar's Office.

Important Reminders

Classes begin Monday, February 1, 1999.

You are financially responsible for any course for which you register unless the course is dropped by February 5, 1999. If you plan to drop a course, please do so early so someone else can be given your space.

FAILURE TO ATTEND CLASS WITHOUT OFFICIALLY DROPPING DOES NOT REMOVE YOUR FINANCIAL OBLIGATION.

If you owe money for the Fall 1998 semester, or have not turned in the Student Health History and Immunization Report, you will not be allowed to register unless your obligation is cleared by Friday, February 5, 1999. If you owe money for a previous semester, please contact the Graduate Admissions and Graduate Registrar's Office when your obligation is cleared so we can inform you how to get reinstated. However, keep in mind that readmission must be processed **30** days before classes begin.

Continuing matriculated students who were not enrolled in courses during the Fall semester 1998, will not be allowed to register if the program fee was not paid by October 16, 1998. Students who did not pay the program fee by October 16, will be required to submit a readmission form with the approval signature of your Graduate Program Director and the required fees by January 4, 1999.

Most classes meet once a week for two and one-half hours. These courses are open to all UMass Boston students and are applicable to bachelor's degree requirements. Students (including financial aid recipients) are free to combine day, evening on-campus, evening off-campus, Friday, and Saturday classes during any semester.

Motor vehicles with evidence of non-use, left in parking areas, streets or other University property for fourteen (14) days or more shall be towed away under the direction of the Director of Public Safety or any University Police Officer, and the owner of the vehicle so towed away shall be liable for the cost of such removal and storage and shall also be subject to the penalties provided in Chapter 90, Section 22B, of the General Laws of the Commonwealth. The owner will also be held responsible for the care and protection of, or damage to, any such motor vehicle and its contents.

Operation of Vehicles on Campus

Loading and discharging of passengers — Loading or discharging of passengers is permissible only when a vehicle is at a complete stop at the edge or curb of a travelled way or within a safety or service zone expressly approved for this purpose by appropriate signs and/or instructions.

Eligibility — Permission to operate a vehicle on the campus or other lands of the University is a discretionary privilege bestowed by the Board of Trustees of the University and such privilege may be denied, revoked, suspended or modified by the action of the Trustees or by the officers of the University herein authorized to take such actions under Chapter 15A, Section 13 or Chapter 75, Section 32A of the General Laws.

Any person may operate a vehicle on the campus, provided that person is otherwise eligible to operate vehicles upon the public highways of the Commonwealth. Said vehicles shall be operated and parked in appropriately designated parking places on campus.
